

# Hard Maister

## Prístrešok pre auto

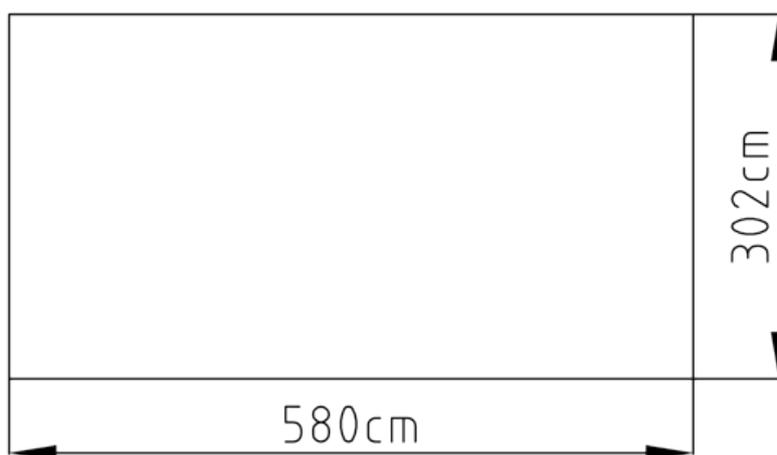

Návod na montáž NEVADA 19 x 10

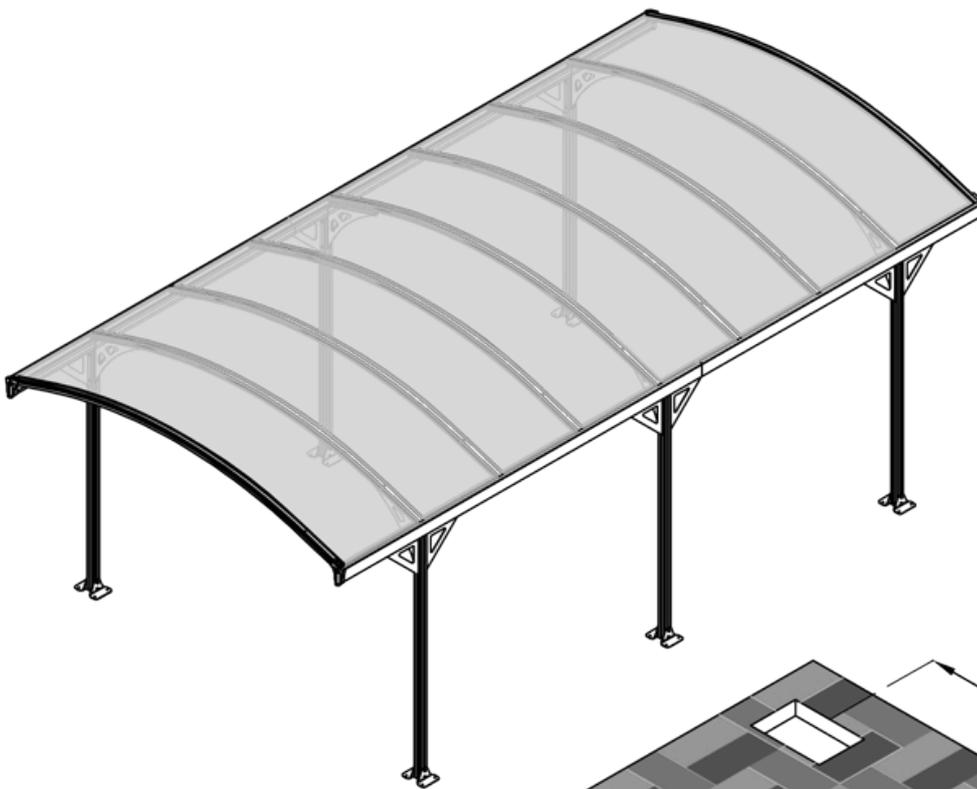

## Velkost NEVADA 19 x 10

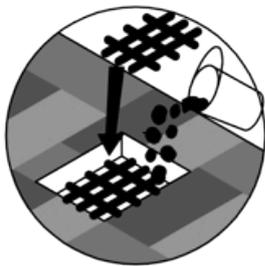

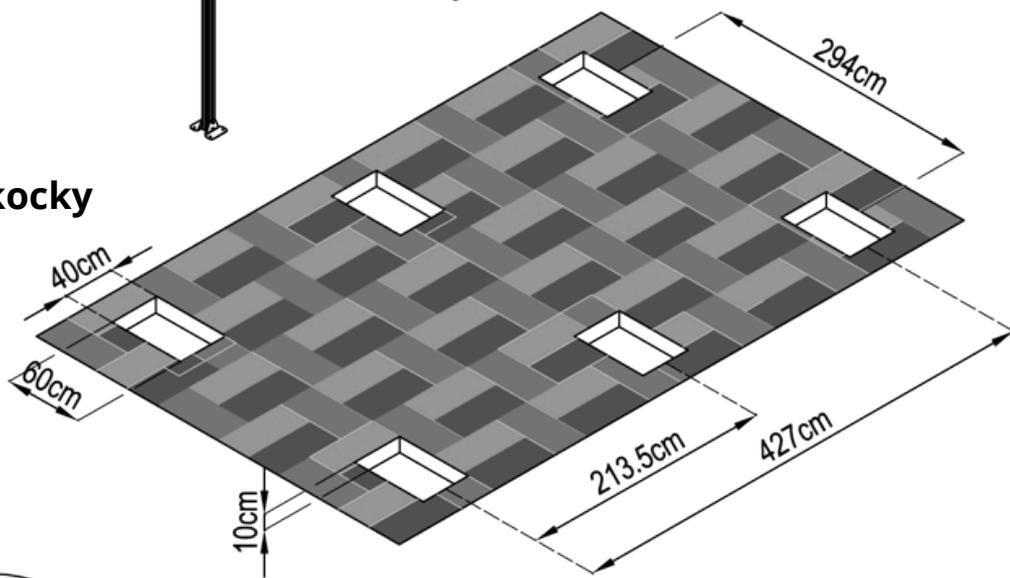

## Požadovaná základná plocha

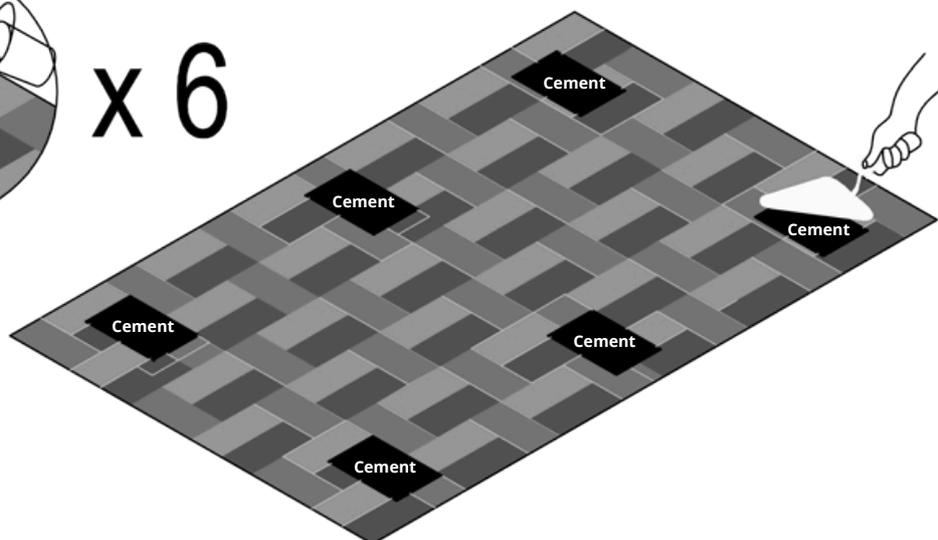

Prístrešok by mal byť namontovaný na pevnom podklade (napríklad betóne). Bez pevnej základne je potrebný predbežný základ, ktorý zahŕňa betón a kov, ako na obrázkoch nižšie.
